## About ForexNewsNow

ForexNewsNow is a website dedicated to covering the retail online FX industry as well as b2b, providing a survey of the trading services offered by the web's top Forex brokers.

All of the content on our website has been written by seasoned Forex traders and finance professionals, with an emphasis on creating the most relevant and up-to-date information about the industry in order to help Forex traders around the world make the most of their trading.

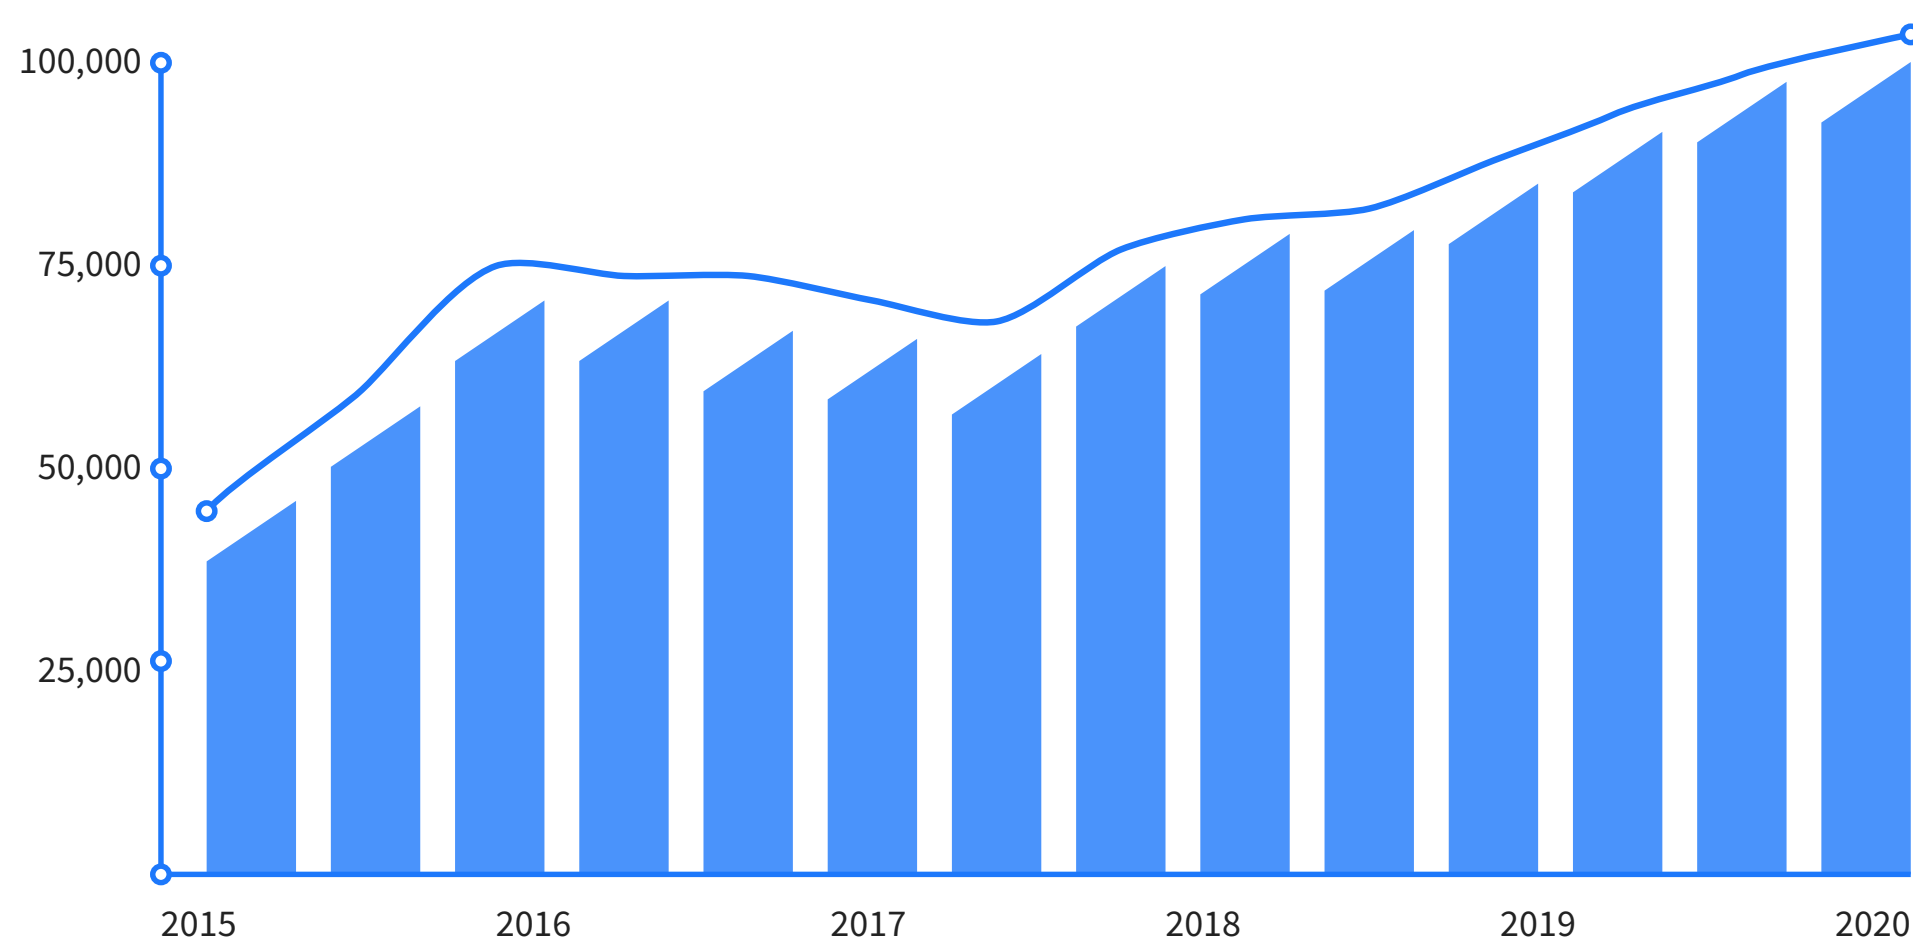

## Our Goal

We at ForexNewsNow are a team of financial enthusiasts, journalists, and traders gathered from all corners of the world.

Our main goal is to deliver authentic and objective news to our readers, with top Stories within the market as well as multiple technical analysis pieces on various assets, including currencies, cryptocurrencies, and commodities.

Our journalists from all around the world are capable of delivering the most fact-supported pieces on broker reviews as well as geopolitical financial developments on a 24/7 basis.
